

Nomination Presidium Chair

Status: decision making

Dear GA,

The board decided to nominate Matthieu Sjollema as presidium. He will replace the temporary presidium chair, Charlie Smit.

We thank Charlie for all her efforts and we hope that the ALV has the same confidence in the nominated presidium chair as the board.

Nomination Presidium Chair

For several months, ASVA searched for a permanent chair of the presidium, as the current chair only filled this role temporarily. After extensive discussions, the board nominates Matthieu Sjollema as a candidate for the position of presidium chairman.

Matthieu is a law student at the University of Amsterdam and has worked at ASVA since 2022 as organisational officer for Housing. His familiarity with ASVA's operations, knowledge of its members and understanding of its regulations make him an excellent candidate for this role, according to the board. His dedication to our association is unquestionable, and the board believes he has the capabilities to successfully fill the position of presidium president.

Concerns have been raised in the past about appointing an employee as chair of the presidium. However, the board believes this has not caused any significant problems in the past. Moreover, we trust Matthieus' integrity and see no reason to challenge his nomination.

The board is open to discussion on this nomination and welcomes any questions or comments from members at the GA.
